

## **Lead Compliance Counsel, Environmental, Health & Safety**

(Menlo Park, CA)

Facebook was built to help people connect and share, and over the last decade our tools have played a critical part in changing how people around the world communicate with one another. With over a billion people using the service and more than fifty offices around the globe, a career at Facebook offers countless ways to make an impact in a fast growing organization.

Facebook seeks a highly motivated team player to serve as Lead Compliance Counsel. This position will play a key role in supporting Facebook's compliance with legal and regulatory requirements. This is a great opportunity to join a growing legal team and to work on novel issues in an exciting, fast-paced environment.

### **Responsibilities**

- Assist in the design and implementation of company-wide compliance programs and initiatives.
- Advise on legal and regulatory compliance matters across the company, including in the areas of environmental, health and safety (EHS), supply chain, hardware engineering, and corporate social responsibility.
- Develop and communicate compliance policies, processes and training.
- Manage and conduct internal compliance investigations and risk assessments.
- Actively collaborate with cross-functional teams to coordinate compliance programs and initiatives.
- Undertake special projects and support other compliance program initiatives.

### **Requirements**

- J.D. degree with membership in at least one state bar
- Minimum 6+ years of relevant experience, including prior in-house experience (with internet or technology companies preferred) and/or at an international law firm
- Exceptional interpersonal skills and a commitment to professionalism and collegiality
